

I am outraged at Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This pre-emptive broadcasting is deeply disturbing, and my understanding is that it violates election law.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of a consolidated news programming, which becomes nearly sterile in its focus. This is not democratic.

I have been to your offices in DC and met many of you when I managed a public radio. I know you are all overworked, but please pay attention to this issue. It is important for all of us and for our children. Don't let the wealthy minority own the airwaves. Do what you can to stop Sinclair from sabotaging this election.

Thank you.
